L.DRE KIT PLAYER-1 (LDK-1) END USER LICENSE AGREEMENT

This End User License Agreement ("EULA") is between Fully Furnished Productions, which makes software under the name L.Dre ("we", "us"), and you. Please read it carefully. It applies to LDK-1 (the "software"), its installer, and any updates we provide, unless an update comes with its own terms.

By installing or using the software, you accept these terms. If you do not accept them, do not install or use the software.

In short: LDK-1 is free, comes with a free Starter Kit of L.Dre sounds, and plays L.Dre's drum kits. Use it in as much music as you like, commercial releases included, and the music you make is yours. Do not sell, share or upload the software itself.

1. **LICENSE GRANT.** We grant you a personal, limited, non-exclusive, non-transferable license to install and use the software on computers you own or control, conditioned on your continued compliance with this EULA. The software is free, whether you download it on its own or with one of L.Dre's drum kits.

2. **YOUR MUSIC.** You may use the software to create music for any purpose, including commercial releases, streaming, sync, beats you sell and live performance, without paying royalties or giving credit. The music you create is yours. The Starter Kit sounds installed with the software are licensed to you on the same terms: use them in your music royalty-free. Sounds from a drum kit you purchased are covered by that kit's own license.

3. **RESTRICTIONS.** You may not:

    3.1. sell, rent, lease, lend, share, upload, sublicense or give away the software, its installer or any part of them, or bundle them with any other product;

    3.2. pass on the Starter Kit's or any drum kit's sounds as sounds, with or without the software, for example by rendering them into another sample pack or library;

    3.3. reverse engineer, decompile, disassemble or modify the software, except to the extent applicable law expressly permits despite this limitation; or

    3.4. remove or alter our name, copyright notices or this EULA.

4. **OWNERSHIP.** The software is licensed, not sold. We keep all rights not expressly granted to you, including all rights in the software's code, design, artwork and names (L.Dre, LDK-1, L.Dre Kit Player-1).

5. **PRIVACY.** The software does not connect to the internet and does not collect or send any information about you or how you use it. It reads the drum kit folder you choose and keeps its presets and settings on your computer.

6. **UPDATES.** We may provide updates, but are not obliged to. Updates are covered by this EULA unless they come with different terms.

7. **THIRD-PARTY SOFTWARE AND TRADEMARKS.** The software is built with JUCE (juce.com), used under its license. VST is a registered trademark of Steinberg Media Technologies GmbH. Audio Unit and macOS are trademarks of Apple Inc. Other names are trademarks of their respective owners.

8. **NO WARRANTY.** To the fullest extent the law allows, the software is provided “as is”, without warranty of any kind, express or implied, including warranties of merchantability, fitness for a particular purpose and non-infringement. We do not promise that it will be free of errors or work with every computer or music program. Save your work and keep backups.

9. **LIMITATION OF LIABILITY.** To the fullest extent the law allows, we are not liable for any indirect, incidental, special or consequential loss (such as lost work, data, income or profits) arising from the use of, or inability to use, the software. Our total liability is limited to the amount you paid for the software, which is nothing, as it is free. Nothing in this EULA limits rights you have under consumer law that cannot be limited.

10. **TERMINATION.** This license ends automatically if you break this EULA. You must then stop using the software and delete all copies of it.

11. **GOVERNING LAW.** This EULA is governed by the laws of the State of California, USA.

12. **ENTIRE AGREEMENT.** This EULA is the entire agreement between you and us about the software. If any part of it is found unenforceable, the rest remains in effect.

13. **CONTACT.** Questions about this EULA or the software: info@prodbyldre.com
